

Chaperone Declaration

Complete one form per chaperone.

Bring this completed sheet with you to MYC Registration. Accurate completion of this document ensures proper chaperoning and confirms the age of all students.

MYC or Maritime PAOC is **not** responsible for chaperoning students. We require teenagers have a chaperone during the entire MYC event (24 hours per day). A chaperone must be the same gender as the person they are overseeing and must be at least 21 years old. The maximum number of teenagers a chaperone can oversee is **seven**. Chaperones must be registered with the same youth group as all of the students they are responsible for..

Please ensure contact numbers for Chaperones are correct, as they may be used in the case of an emergency or for information distribution. For the purpose of this form, there is ONE group leader (ie: Youth Pastor, or primary youth leader).
