

District Confidential Counselling Program

*Supporting the emotional and spiritual
well-being of pastors and their families.*

Credential holders and their families faithfully serve their local churches and organizations. In turn, it is appropriate that those churches or organizations take responsibility for their ongoing care. This includes offering rest periods, retreats, sabbaticals, and access to pastoral support.

For further information or additional resources to assist in this area, please contact our office.

Clergy Care Network (CCN)

The District financially supports the Clergy Care Network (CCN), a ministry of Focus on the Family. CCN provides access to:

- Free, confidential telephone counselling
- Professional, Christian counsellors
- For pastors and their immediate family

Kechnie Benefits Christian Counselling –

If you're part of the District Health Plan:

- Coverage for professional counselling is \$1,000/year per person
- Covers credential holders, spouses, and eligible children
- Includes licensed Christian counsellors
- Other professionals not listed below (licensed and registered Psychologists and Psychotherapists) are also included as part of the yearly \$1,000 benefit.

District Counselling Subsidy

If you aren't enrolled in the Kechnie Benefits Health Plan or have used up the yearly amount, the District will pay 80% of the cost for **up to three** counselling sessions with any of the approved Christian counsellors. This subsidy is available to credential holders, spouses as children up to age 22 (or, 26 if they are a full-time student).

Accessing Counselling

- Choose a counsellor from the list of approved counsellors.
- Let them know you're a PAOC Maritime credential holder (or family) and would like to make an appointment under the Maritime PAOC District's Confidential Counselling Program
- Counsellors will bill the District using a code so your identity remains private. It's expected that the Kechnie Benefits coverage would be exhausted prior to accessing the three District subsidized sessions.
- These subsidized counselling sessions are available immediately for those not enrolled in the Health Plan.
