

The District's Confidential Counselling Program consists of two components and is available to all credential holders (Active or Inactive) and their spouses.

1 CLERGY CARE NETWORK

The District financially supports the Clergy Care Network (CCN), a ministry of Focus on the Family. CCN provides access to free, confidential, complimentary telephone counselling.

If you are at a place in your life where you would like to talk with a professional for confidential counselling or consultation, please call the Clergy line at 1.888.5.CLERGY. Their trained male and female counsellors would be pleased to talk with you and offer hope in the midst of your struggles. For more information about the CCN, visit their website.

2 CHRISTIAN COUNSELLING

Our District Health Plan counselling coverage with Kechnie Benefits includes the Christian counsellors listed below. If you're not in the Health Plan or have used up your maximum yearly amount, the District will pay 80% of the cost for up to three counselling sessions with any of these Christian counsellors. The counsellor will bill the District using a code number rather than a name.

Please note that if you are part of the District's Health Plan with Kechnie Insurance, the counsellors listed below are covered to a maximum yearly amount of \$1,000. It's expected that this coverage would be exhausted prior to a credential holder or spouse accessing the three District subsidized sessions. The three subsidized counselling sessions are available immediately for those not enrolled in the Health Plan.
