

Position Responsibilities - Family / Children / Youth / Young Adult Ministries

Position Title: Assistant Pastor - Next Gen Ministries

Status: Full-time

Overview: Calvary Church Charlottetown is an ethnically diverse pentecostal church (*approximately 200 people*) looking for a committed minister of the Gospel to work with the next generation in our church and community. We currently meet in a school as we navigate the process of redeveloping our land with a new worship centre after it sustained irrevocable damage from Hurricane Fiona last fall. As a mobile church, we do have great flexibility, but limited stability in terms of ministry meeting spaces - outside of Sunday morning. Nevertheless, we quickly regained our footing and ministry continued in various forms, spaces, and places ever since. Our committed leadership team, volunteer force, and entire church family have met these challenges head on and we continue to find meaningful and effective ways to reach people. We invite you to be a part of what God is doing here in Charlottetown through Calvary Church!

This role is critical to the long-term health and growth of the church, and requires someone who is passionate about serving young people (age 0-20+) from diverse cultural backgrounds.

Responsibilities:

- Develop and implement a comprehensive strategy for children's, youth, and young adult ministry that aligns with the church's vision and values
